

Unlocking real life stories of urban people
Revealing Good News of the Down to Earth Christ
Releasing life changing skills and confidence

Who are we?

Unlock is a Christian organisation that has been working for about 30 years to help urban churches of any denomination to respond to the challenges in their areas. We are especially concerned with helping people in 'text-shy' cultures to explore their faith.

What we don't do?!

We don't have a one size fits all approach, or tell you what's best for your own situation. We respond to the local context.

What do we do?

We train workers and place them in cities to help churches find appropriate ways of working within their own local culture.
