

Unlock's work is about **Christian Mission**, urgently focussed on bringing God's Good News to those who have often been ignored as unimportant, here, on our own doorsteps, in our own UK cities. Traditional urban communities are one of the few places remaining in British culture where there is still a degree of respect for the Christian Faith, but those very communities have not had opportunities to explore that faith for themselves, because church style and language are inappropriate for their culture and just put people off. Unlock works to plug this gap, by providing urban communities with ways of exploring faith that are designed specifically for them, and meet their particular needs. With 30 years of experience and expertise, we train, pay, and resource workers in city locations, we offer our insights and experience to others working in urban mission, we make resources available free of charge to anyone who wants to use them in their work of developing discipleship. Only by the London Walk and others who provide us with financial support on a regular basis has this been possible.

Please work with us to ensure that the 2007 walk generates more income to fund Unlock's work. You can do this by:-

- **Sponsorship** – get as many sponsors as you can, by explaining to them what you are raising money for; and ensure that they gift aid their sponsorship wherever possible.
- **Donations** – you can make a personal donation to Unlock's work, either on a one off basis, or better yet, at regular intervals,
- **Through your Church** – persuade your church to give funds to support Unlock as part of its regular missionary giving.
