

HOW TO LEAVE US A GIFT IN YOUR WILL

Leaving a legacy gift is an important decision, but it doesn't have to be complicated. Here are the basics:

1. State in your Will that you would like to leave a gift to Unlock. We recommend using a solicitor or professional will-writer to make sure your Will is legal and valid.
2. Include our full name, to make sure the money goes to the right place: Unlock, Registered Charity Number 313454.
3. If you have already written us into your Will, we're very grateful and would love it if you could let us know.

WHAT TYPES OF GIFTS CAN YOU LEAVE?

It's possible to make many different types of gifts in a Will, and we will be so grateful for every single one.

Here are a few types of gifts you can leave us in your Will:

A SHARE OF YOUR ESTATE

After you've provided for your family and friends, you can leave a share, or the remainder, of your estate to us. This is called a 'residuary gift'.

CASH GIFT

This is when you leave an exact sum of money to us. It's known as a 'pecuniary gift'.

A SPECIFIC GIFT

This might be any individual item of property, ranging from jewellery to land or buildings.

A GIFT IN TRUST

You can leave a gift for someone to use over a period of time. When the time has ended, the gift can be passed on to other recipients, such as a charity.

Help us bring forward the day when the Gospel has been Unlocked in the deprived urban communities of the UK.

“

I've been using your "Experience The Bible" series with a small group of people who attend our free 'community meal' for people on low income.

Today has been the 4th week, and I just wanted to let you know how helpful I find the format and the introductory questions.

It really is an excellent resource, and I'm very grateful to you for compiling it, and making it available free through the internet.

The people who attend do not have a church background, so I spent some time looking for just the right material to use in this new group;

"Experience The Bible" has proved very quickly to be exactly the right material!

Praise God and thank you!

**UNLOCK'S WORK IS ABOUT
CHRISTIAN MISSION,
URGENTLY FOCUSED ON
BRINGING GOD'S GOOD
NEWS TO THOSE WHO HAVE
OFTEN BEEN IGNORED AS
UNIMPORTANT.**

With over 40 years of experience and expertise, we train, pay, and resource workers in city locations; we offer our insights and experience to others working in urban mission; we make resources available free of charge to anyone who wants to use them in their work of developing discipleship. The work we do brings people on the fringes of the church and of faith into real encounters with powerful stories from the Bible. This transforms attitudes, behaviour, lives and even communities.

Because our work is Christian Mission the only funding available to us is from Christian giving. We cannot access any government or secular funding. Our work is entirely funded by our supporters but there's always more we could be doing if we only had the funds. We work on the basis that those who can pay for our services do so, so that we can then make them available free to those who can't pay.

**THE PLACES WHERE OUR
WORK IS NEEDED MOST ARE
GENERALLY THE PLACES THAT
CAN'T PAY!**
