

We very much enjoyed the Walk. The work of some of the churches was truly inspirational.

It was good to meet some of the Unlock workers. It is amazing to see how God works, and uses the gifts He has given us.

Another very enjoyable walk! This is such an enjoyable way of raising funds as well as increasing people's awareness of the work and role of Unlock & the London churches – not to mention discovering new areas & places in London.

We have been doing the walk as a family for many years and found it very interesting again this year.

Thank you very much for an enjoyable day. Very encouraged by the local churches and appreciated learning about the area. The quiz really helps. Well done to everyone.

I was so impressed by the organisation and the sight of all these folk walking round.

As always we really enjoyed walking the route with friends. Great to see some of the changes and to meet folks in local churches. Keep up the great work you do.

As usual we were amazed at the lovely walk through town and common. The churches as always a wonderful mix but all giving wholeheartedly to the community and spreading the Light of Christ.

A most interesting walk – brought home that the church is no longer just the steeple – but the people. Lovely they were at every stop.

It was a very enjoyable and humbling day and I look forward to doing the walk again next year.

Thank you very much for such an enjoyable and educational day.

A very enjoyable and illuminating walk!

Thank you for finding a variety of challenging churches. Always a joy of exploration - & so good for us! Bless you all.

Our small team of walkers found the walk as always, interesting and enjoyable. It is such a good way of discovering the real London and learning about the work of the various churches visited within their local communities. Very inspiring.

Great day out. Our first walk was in 1985.

A good walk, with very friendly churches all community-conscious.

I greatly enjoyed the walk this year. It was very inspiring and uplifting to hear about the work of the various communities. And it is always interesting to hear about the works you support and foster.

Well organised and welcoming.
